AIM AND SCOPE

Journal of Nursology (J Nursology) is a scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is the official publication of Atatürk University, Faculty of Nursing published quarterly in March, June, September, and December. The publication languages of the journal are both Turkish and English.

Journal of Nursology aims to publish original research papers of the highest scientific and clinical value in nursing research, practice, education, and management issues. Journal of Nursology also publishes reviews, rare case report and letters to the editors.

The target audience of the journal includes nurses, academicians, clinical researchers, medical/health professionals, students, nursing professionals, and related professional and academic bodies and institutions.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Journal of Nursology currently indexed in EBSCO, CINAHL, DOAJ, China National Knowledge Infrastructure (CNKI) and TUBITAK ULAKBIM TR Index.

All expenses of the journal are covered by the Atatürk University. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at https://nursing-ataunipress.org/. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Disclaimer
Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement
Journal of Nursology is an open access publication, and the journal’s publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at http://nursing-ataunipress.org/. The journal’s content is licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.
